binson and it is in rest eternal. The bereaved parents have the sympathy of the upon the agreeentire community. Hobinsons were marsemiand in 1888, ami have on 2 years old, who labeling cared for by his grandmother in Jersey City. Hath Robinson and his wile are bucksters, and jeddle from to a e to house off cloth that they bought from the widow tiray. iterently Mrs. Robinson noticed

that for fushand and Mrs. Gray were very friendly, and on Thursday she made a proposition to self him for \$25.

"You give me the money and yan can take my husband."

"Wall I do everything legally, and the transfer must be made through a notary,"said the widow. This Mrs. Robinson agreed to do, and thenext day the Robinsons and Mrs. Gray cailed upon a notary for a little of sale. It was signed by Mrs. Robinson after she had secured the \$25. Since then Robinson has been living with the widow, and moved his effects across the hall. Mrs. Hobinson had a good time as long as the immey lasted, but lu three days it was uli gone. Then she realized that she had been foolish ia selling her husband for such a small figure, and demanded his return from Mrs. tiray. Itot Mrs. Gray and Robinson both refused.

Mrs. Itobinsoa was told that, selling a husband was against tho law and was advised to apply for their arrest la court. Yesterday sho secured a summons from Magistrate Wentworth, in Yorkville Court, returnalde this morning, bat they pald no atlention to it. She called on alawyer, who procured papers for absolate divorce against Robinson, and the manager to serve them vesterday afteraoon. He arrived and applied Chamberlians Paln ia the nick of time with the papers The following is a list of letters for Rollinson and the widow were remaining uncailed for in the post- in the act of moving away. When the lawyer asked them where they were going Rohlnson said:

"We are off for Jersey,"and with out a second giance at his wife, who stood in the doorway weeping, Robinson hurried off with the widow.

Tiberian, Galilee, beath saids three gein ever bud we benutiful a willing the lay in a scene of great loan bence, the surrounding hills high, terraced. loped, groved, so many hanging gar dems of hearty; the waters rambling down between rocks of gray and red limentone, flashing from the bilts and bounding into the sea, the declare were rasiles, armed towers fromit batha everything attraction and beautiful, all styles of vesetation in shurter space than to almost noy other space to the world from the polarizerol the forest to the trees of a algorous cit-

o wave of heavty on all the teene and it hog and swing from rock and hill and on mer Roman gentlemen in and of mer Roman gentlemen in pleasure boats sailing the takes and felicrises in smacks coming down to drop their acts, pass each other with and and shout and luighter, or awinging idly ut their moorings. 1th, what onderful, what a leautiful lake!

It seems at if, we shall have a quiet Not Wheat winked in the air, not a ripple distarion the surface of Gennesaret, but there were to be a lit-tle exclument up the beach, and we hasten to see which it to and we find it an emburiation

pushing out, not a squadron or deadly rnament, our elleper with subside ncrehandlae, nor piratic vessels ready to destroy everything they rould seize but a Rollia hearing messengers of life, and light, and peace. Christ is in the front of the boat. His disciples are in a smaller test. Jesus, weary with much speaking to large multitudes, is put into someolence by the residing of the waves. If there was any multin the blp easily righted, if the wind Canacil from one alde, from the the larlmand to the starboard, the boat would nek and by the grutteness of motion putting the Muster sakeep. And they extemporized a pillow made out of a fisherman's coat. I think no sooner is Christ prostrate and His head touching the pillow than he is smood asleep. The breezes of the lake run their angers through the locks of the worn sleeper, and the bont rises and falls like a sleeping child on the bonom

of a sleeping muther, calm night, starry uight, beautiful night. Iten up all the salls, ply all the sam, and let the large beat and the small boat glibs over gentle Gennearet. But the sallors say three is going to be a change of weather. And the passengers can hear the mean ing of the storm as it comes on with long stride, with all the terrors of hurrienac and darkness. The large loss trembles like a deer at lay trembling among the clanger of the bounds; grent atches of four are flung into the and the sharp winds crack like pistols; the smaller boats, like petrels, paine on the cliff of the waves and don phrage. Overboard goes rargo disciples rushed later the back part of the leat, and lay hold of Christ, and are onto Him. "Master, carest thou not that we perhal?" That great person ove lifts like head from the pillow of the disherman's coat, walks to the front of the westel and looks out him the All around llim are the mualler louts, driven in the lempest, and through it comes the cry of the drown-Lace the calm brow of Christ as the apray dropped from like beard lie has vord for the waves, looking upward te dries, "Pencel" Looking downward

The waves fall flat on their faces, the a muelta, the eating planed stars re-ht their torches. The tempest fulls ml, and Christ stands with his foot the such of the storm. And while the sailors are balling out the boats. and while they are trying to unlangle the cordage, the disciples stand in nt, now looking into the calm a, the Into the calm sky, then into he calm of the Savlour's countempore. they Fy not: "What manner of

se pley lim? her tin the first place impressible the fact that it is very imme with the fact that it is very in-riant to have Christ in the alip; for I these limits would have gone to the tion of Genneauret if Christ had been present. Oh, what a leason you and for me to learn! What-r voyage we modertake, into whathi the the ship. Many of you that a freely ed commerce are out in new financial enter-

twhy, they only ston's hand. The religious emotion in the motion of our little boat the audience was overpowering, and men saw a type of their doom as the swept drivin, and the sea was cossed into wrath, then they found that follows knob of the cune struck Mr. Living growt torm of what you have found it; so I have found it, and said. Hut the grave of the count and there was a Did you ever notice the end of the stop you, as I stopped that eare." life of the apostles of Jesus Chart? then there was gluiness all through to have had a smooth life a smooth peace and salvation. "Well, departure, then those men the door people after the service, "I departure, then those men the door people after the service, the steril pies of Jrsos theist, ought to vary had but by the sent Livingston home; he is

St. James lost his heart St Philip was hing to death our a pillur, at board the ship. The danger of the Mutthew had libe life dashed and with Church of God is not in revivals. hallsert. St. Mark was stragged to Again, my audject impresses me with death through the streets. St. James, the fact that Jeaus was God and man the less was besten to death with a in the same being. Here lie is in the fullers club. St. Phonas was strock back part of the book. Oh, how tired through with a spear. They did not Ite icoles, what sad dreams he must Hod following Clarst snooth sailing, have Look at his countenance; he th, how they were all tussed in the must be thinking of the cross to come. tempest; topo lless in the fire, flugh Look at him. He is a man-bone of

But why go to history when I can find all around me a score of Ulustra-tions of the truth of this ambject? That young man be the store trying to seeve while his employer Christianity The young men autigonath the Christian celigion, him, birmenting blunchout his religion, higething him mad saying, "You're a pretty Dubstian " Does this young find It amounth sailing liere is a thristian girl Her father her brothers and slatters scott at the Christian religion; she can hardly find Did she find it smooth sailing when she tried to follow lesus Christ? (th, no, all who would live the life of the Christian religion coust suffer perscention; if you do not find it in one

way you will get it in another way.

The question was asked, "Who are are those nearest the throne?" and the unawer came back: "These are they who came up out of great tribulation "great falling," as the original has it: great failing, great pounding white in the blood of the Lamb" Oh, danot be disteartened Oh, child of Oesli take courses. You are in glori-ous companiouship to al will see you through all these trials, and its will deliver you

My subject also impresses me with the fact that good people sometimes get very much frightened in the tones of these disciples as they rushed lute the back part of the boat, I find they are frightened almost to death. They Muster, careat thou not that we periah?" They had no reason to be frightened, for Christ was In the boat. lauppose if we had been there we would have been just as much affrightnd. Perhaps more

In all ages very good people get very much affrighted—this often so in our day, and men say, "Why, look at the bad lectures; look at the Spiritualistic octaties; but at the various errors going over the Church of God; we are go-ing to founder; the church is going to perlab, she is going down." Oh, how many good people are affrighted by triumphant iniquity in our day, and think the Church of James Circlet and overthrown, and are just as much affrightened as the disciples of my test enn, O hereaved m were affrightened. Don't corry, don't tempest. When the fret, as though iniquity were going to away float said. trlumph over righteousness.

A llow goes into a cavern to aleep. Its lies down with his shaggy mans soverlog the pawa. Meanwhile the spiders spin a web across the mouth of the cavern and say, "Wu have captured blu," Gossamer thread after gossamer thread is span antil the whole front of the cavern is covered with the spiders' web, and the spiders say. "The lion is done: the lion is fast." After a white tion bas got through alcoping; he rouses blruself, he shakes his manu, he valks out into the sunlight; he does nof aven know the spiders' web is spun. nd with his colee he shakes the moun

So men come, spluning their sophis tries and skeptiniam about Josua Christ; was have captured the Lord; He will naver come forth again upon the na-tion. Christ is captured, and captured forever—ills religion will never make any conquest among men." But after a while the Llon of the tribe of Judah will rense blauself and come forth to abake mightly the nations. What is a aptiler's web to the aroused lion? Give truth and arror a fair grapple, and truth will come off victor

But there are a great many good peo-But there are a great many good people who get affrighted in other respects; they are affrighted in our day about revivals. They say, "Oh! this is a atrong religious gale; we are affaid the church of God is going to unset, and there are going to be a great many people brought into the church of God who are going to be of an one to it,"

ite falling away from as that caue is fulling through my haps fulling very slowly." And the cane kerl kept on falling through John Living

no stou's hand, and he clasped it stoutly But the grave of God ear the gales from Heaven, and Christ on

McKail to the hour of maryrdom, the our bone, fish of our fish. Tired, he Albigetoses, the Waldersea, the Scotch falls saleep; he is a man. But then I Cavenarders did they find a mouth find Christ at the prow of the boat; I bear llien say, "Peace, be still;" and I see the storm kneeling at itis feet, and and the tempests folding their wings in life presence, He is a God.

If I have sorrow and trouble, and want sympathy, I go and kneel down at the back part of the boat, and say, "O, Christ, weary One of Gennesalet tensing aynipathize with all my sorrnws, Mar trying to get him mad. They succeed man, a man. But if I want to conquer lugelling him mad saying. "You're a my spiritoul foes, if I want to get the victory over sin, death and hell, to the front of the boat, and I kneel he tries to follow Christ? down, and say, "O, Lord Jesus Christ, is a thristian girl. Her father. Thou Who dost hosh the tempest, hush despises the Christian religion: her all my grief; hush all my tempitation; mother despises the Christian religion. hush all my sin." A man, a man; a God, a God.

I learn once more from this subject that Christ can limit the tempest. did seem as if everything must go to ruin. The disciples had given up the idea of managing the ship; the crew were entirely demoralized; yet Christ rlues and puts lila foot on the storm, and it enusches at Ills feet. Oh, yes,

Christ can bush the tempest.
You have bail trouble. Perhaps it was the little child taken away from you -the sweetest child of the house questions, and stood around you in the greatest fondness, and the spade cut down through your bleeding heart. Perhaps It was an only son, and your heart has ever since been like desolated castle, the owls of the night hooting among the falling rafters and the crumbling stairways.
Ferhaps it was an aged mother. You

always went to her with your troubles was in your home to welcome you chiblion into life; and when they di she was there to pity you; that ald hand will do you no more kindness; that will lock of hair you put away in the easiest, or in the locket, did not look as well as it unually did when sh brushed it away from her wrinkled brow in the home circle or in the Or your property gone, you said: "I have so much bank stock, I have so many government se curitles, I have so many houses, I have many farms"-all gone, all gone.

Why, all the storms that over tram pled with their thunders, all the ship wreeks, have not been worse than this Yet you have not been completely Overthrown. Why? Christ-hushed the tempest. Your little one Why? think the Church of Jasus Cirist and reas taken away. Christ says: "t have Addre the cause of righteousness are going to that little one; I can take care of him N.Y. as well as you can, better than you can, O bereaved mother!" #### THE ALMIGHTY TARIFF

( Jhtengo Chronicle.) When wheat goes up and the armer rejoices we learn from the publican authority, for what it is worth, that the nimighty tariff did it. The labor of the imshandman, the fruitful properites of the soil, the refreshing showers from heaven, and the rays of the fixed and everlasting sun planted in the firmament by Omnipotence are not so potent as a tarlif measure de vised by a few gentlemen at Wash-Ington. They determine the quantty and the price of wheat, and consequently the prosperity of the country. Such is in effect Itepub-Heanelahm
